LEADERSHIP

Alpha Phi Omega

Feb 2023

Served as Pledge Class President to foster a sense of community and teamwork within the organization.

Led weekly meetings to discuss upcoming tasks and goals for our class

SUMMARY

Current student working toward Bachelor in IT and seeking opportunity to begin my career. Identifies and quickly closes any knowledge gaps to offer value to employer and team. Willing to take on any task to support the team and help business succeed. Offers strong interpersonal skills and leadership abilities.

EXPERIENCE

Recipe Manager App - "KILowBites" - **2023**

Worked as part of a team to develop the app using Java Swing
Used agile developing process Scrum to build specifications from the product owner
Developed skills in team communication, task prioritization, and product negotiation

Mover – "Wayforth" – **June-August 2022**

Worked as a professional mover over the summer. Primarily downsized senior citizens into smaller homes or into assisted living.
Learned to handle aggressive people in a professional manner, how to work efficiently in a team, and manage tasks in a timely fashion

VOLUNTEER
Alpha Phi Omega

Feb 2023 – Present

● Serve a diverse local community with an open-minded and judgement free approach
● Help care for residents of all ability in assisted living homes
● Perform manual labor tasks to create a sustainable and ecologically responsible water irrigation system for a local farm
